

Founded in 1969, the Guernsey Old Car Club caters for owners and enthusiasts of Veteran, Vintage, Post-Vintage and Classic Cars. Although it is usual for members to own an old vehicle, it is not absolutely necessary to do so. Current membership is just over a hundred.

We usually have at least one event a month - motoring and social. It is hoped that members will participate as much as possible.

As well as events on the Island, there are opportunities to broaden motoring horizons on events such as the Tour de Bretagne plus biennial visits to France and Jersey. However, some of the events in Jersey are only open to pre-War cars.

Membership is currently £20 per annum, payable on joining and thereafter on the day of the Annual General Meeting (November)
